Hello,

This is a **warning message** to alert you that there is action required to bring your AdSense account into compliance with our AdSense program policies. We've provided additional details below, along with the actions to be taken on your part.

Affected website: bygosh.com**Example page where violation occurred:** <http://bygosh.com/kids-classics/the-adventures-of-huckleberry-finn/chapter-35/>**Action required:** Please make changes immediately to your site to follow AdSense program policies.**Current account status:** Active**Violation explanation**

As stated in our program policies, Google ads may not be placed on pages that contain content that:

- Threatens or advocates for harm on oneself or others;
- Harasses, intimidates or bullies an individual or group of individuals;
- Incites hatred against, promotes discrimination of, or disparages an individual or group on the basis of their race or ethnic origin, religion, disability, age, nationality, veteran status, sexual orientation, gender, gender identity, or other characteristic that is associated with systemic discrimination or marginalization.

How to resolve:

- If you received a notification in regard to page content, we request that you immediately remove Google ads from the violating pages. If you are unable to, or unsure of how to remove the ads from these pages, or would like to continue monetizing the page with Google ads, please modify or remove the violating content to meet our AdSense policies.
- If you received a notification in regards to the way ads are implemented on your site, please make the necessary changes to your implementation.

You do not need to contact us if you make changes. Please be aware that if additional violations are accrued, ad serving may be disabled to the website listed above. You should immediately take time to review your pages with Google ads to ensure that they comply with our policies.

Additionally, please be aware that the URL above is just an example and that the same violations may exist on other pages of this website or other sites that you own. To reduce the likelihood of future warnings from us, we suggest that you review all your sites for compliance. Here are some useful resources you might be interested in.
